

Dear Community Partner,

McDowell Wellness Center is excited to be leading our 10th Anniversary Edition of the community Get Moving Challenge. Our past Get Moving Challenges have engaged 800-1000 participants each and our newsletters currently go out to over 2000 people. We have had fantastic feedback as participants are grateful for the extra motivation and accountability as well as health information.

The 2025 Get Moving Community Challenge begins April 13 and ends May 24. This year we are getting back to basics and will focus on “keeping fitness fun”. The challenge is free to participants and in order to encourage participation, we will once again be awarding weekly prizes and grand prizes at the end of the event. We will also provide a Get Moving t-shirt for participants who complete the challenge with at least 5 of the 6 weeks of physical activity minutes. The back of the t-shirt will display our t-shirt sponsors with placement similar to the image below with small variation depending on the number of sponsors at the various levels.

**Sponsorship Levels:**

- Platinum: \$1000
- Gold: \$500
- Silver: \$250
- Bronze: \$125

Please consider becoming a t-shirt sponsor and/or donating prizes for the challenge. Smaller donations will also be greatly appreciated. All donations are tax deductible and you will be recognized on the Ephraim McDowell Health Facebook page and in our newsletters.
